

2021
SPRING/SUMMER CATALOGUE

BUILT WITH MORE BITE
MANUFACTURED IN SOUTH KOREA FOR AUSTRALIAN CONDITIONS.

A MESSAGE FROM THE GENERAL MANAGER

As many would appreciate, COVID-19 has significantly impacted on global supply chains throughout the year. As the world tractor market has expanded, tractor manufacturing has faced enormous pressure due to shortages of raw materials such as steel, rubber and glass.

But there is good news. Despite the challenges, Kioti has managed to maintain full manufacturing capacity, ensuring our national network of Kioti dealers can continue to support their customers.

Founded in 1947, Kioti is a South Korean heavy machinery manufacturer. The company produced its first water-cooled diesel engine in 1949 and began manufacturing tractors in 1968. Now, with more than 70 years of experience, Kioti's dedicated research and development team continues to shape the future of farm equipment mechanisation. Indeed, the company's responsiveness to complex market challenges, manufacturing excellence and commitment to durable, high-quality products, have resulted in the acceptance of Kioti products in more than 30 global markets.

Kioti is notably unique as a tractor manufacturer. The company designs and makes in their own factories many of the major components that go into the final product. By way of examples, diesel engines, manual and hydrostatic transmission, front axles and final drives, are all engineered in-house.

The Kioti product range now includes 32 models of tractors and UTVs, ranging from 22 - 115hp. The range includes ROPS and Cab tractors with a variety of transmissions including manual, hydrostatic, wet clutch with Powershuttle, and Hi/Low splitter.

Even better, Kioti tractors come with an industry leading 4-year warranty period.

The company is moving full steam ahead with some exciting, innovative products. In 2022, Kioti intends to enter a new market segment with the introduction of the HX Series tractors from 130 - 140hp. Please check pages 18-19 for an exclusive preview of what lies ahead.

Greg Clark
KIOTI AUSTRALIA

OUR 4 YEAR WARRANTY

All Kioti tractors ranging from 26hp up to 115hp come with a standard two year or 1,500 hour warranty covering all components on the tractor.

To complement this great coverage Kioti tractors have an additional Driveline coverage to a maximum of four years or 2,000 hours for all models, which is standard with every tractor purchased.

This coverage is a manufacturer's coverage and not offered by a third party insurer and has no extra costs or excess required to be paid.

A basic overview of the coverage includes engine, transmission, differentials, axles and all parts contained therein.

So for four years or 2,000 hour warranty your Kioti tractor will have coverage on all major components and everything in between.

*24 months 1500 hours Full Warranty.
48 months 2000 hours Powertrain Warranty.

FREE FRONT END LOADER + 4 IN 1 BUCKET INCLUDED

TAILORED PAYMENT OPTIONS

FIXED INTEREST RATES

LOAN SECURED BY EQUIPMENT ONLY

PFG CREDIT has been in operation for 15 years across the whole PFG Australia product range.

Our various finance packages ensure equipment repayments are tailored to your own cash flow requirements, whether that may be monthly, seasonal, or annual. A facility can be designed to conserve working capital, budget on a fixed rate, fixed term and fixed repayments to suit your individual farming needs.

PFG Credit allows clients to acquire equipment without a heavy initial down payment, which means you can pay for it from your operating budget and not from your capital reserves. This allows you to free up capital that can be used to grow other parts of your business.
